**Advanced Dental Nursing**  
 ISBN 1-4051-0923-8

A general textbook aimed specifically at dental nurses taking 'higher' qualifications. Whilst the whole book is not totally related to sedation nursing the seventy six pages which are devoted to this subject are very concise and methodical, authored by past and present sedation qualification examiners.

**PRACTICAL CONSCIOUS SEDATION: M Skelly & D Craig**  
 published by Quintessence Publishing  
 ISBN 1-85097-070-X

This is a succinct authoritative text on the provision of conscious sedation in the primary care setting. It is a generously illustrated text with a wealth of information for all members of the dental team.

**CLINICAL SEDATION IN DENTISTRY: N.M.Girdler, C.M.Hill, K.E.Wilson**  
 published by Wiley-Blackwell  
 ISBN 978-1-4051-8069-6

A comprehensive textbook on the principles and practice of clinical sedation in dentistry, written by experienced educators and internationally renowned researchers in the field. This text book is aimed at undergraduate students, dental care professionals and postgraduate dentists.

**BASIC GUIDE TO DENTAL SEDATION NURSING: Nicola Rogers**  
 published by Wiley-Blackwell  
 ISBN 978-1-4443-3470-8

A must have book for all dental nurses seeking to develop their knowledge and understanding of this core area of clinical practice. Written in a clear accessible style with colour illustrations. It covers all topics relevant to the NEDN certificate in dental sedation nursing.

**NATIONAL EXAMINING BOARD FOR DENTAL NURSES**
